- E. Applications for renewal licenses may be made in such abbreviated form as the Council may adopt.

SEC. 4.03 ACTION ON APPLICATION, TRANSFER, TERMINATION AND DUPLICATE LICENSE

- A. Granting. The Council may grant any application for the period of the remainder of the then current calendar year or for the entire ensuing license year. Failure to pay any portion of a fee when due shall be cause for revocation. No license fee shall be refundable upon revocation or voluntarily ceasing to carry on the licensed activity. All applications, including proposed license periods, must be consistent with this Chapter.
- B. Issuing. If an application is approved, the City Clerk shall forthwith issue a license pursuant thereto in the form prescribed by the Council, payment of the appropriate license fee, and approval of the bond or insurance as to form and surety or carrier, if required. Notice to be given and the exact time of hearing shall be stated in the resolution calling for such hearing. Grounds for revocation may be, but are not limited to, any of the following: (1) that the

licensee suffered or permitted illegal acts upon licensed premises; (2) that the licensee had knowledge of such illegal acts but failed to report the same to police; (3) that the license violated terms of the license or local, state or federal laws; (4) that the licensee failed or refused to cooperate fully with police in investigating such alleged illegal acts; or, (5) that the activities of the licensee created a danger to public health, safety, or welfare.

may deem reasonable and justified.

SEC. 4.09 RENEWAL OF LICENSES

Applications for renewal of an existing license shall be made at least sixty (60) days prior to the date of expiration of the license, and shall contain such information as is required by the City. This time requirement may be waived by the Council for good and sufficient cause.

SEC. 4.10 INSURANCE REQUIREMENTS

Whenever insurance is required by a Section of this Chapter, after approval by the Council, but before the license shall issue, the applicant shall file with the City Clerk a policy or certificate of public liability insurance showing (1) that the limits are at least as high as required, (2) that coverage is effective for a least the license term approved, and (3) that such insurance will not be cancelled or terminated without thirty days' written notice served upon the City Clerk. Cancellation or termination of such coverage shall be grounds for license revocation.

SEC. 4.11 LICENSE DENIAL AND FIXING RATES -- HEARING

- A. Right to Deny. The Council reserves to itself the right to deny any application for a license to operate any business licensed or regulated under this Chapter where such business involves service to the public, rates charged for service, use of public streets or other public property by the applicant or public, or the public health, safety and convenience. The Council may also consider the location of such business in making such determination.
- B. Rates. Where, under specific provisions of this Chapter, the Council has reserved to itself the right to fix or approve fees, rates or charges of a licensed or regulated business, such rates shall be uniform for each category or class of service, and no licensee or proprietor of a regulated business shall claim or demand payment in excess thereof.

The term peddler shall mean the same as the term hawkker.

The absence of samples or catalogs shall not remove a person from the scope of this provision if the actual purpose of the person’s activity is to obtain or attempt to obtain orders as discussed above. The term shall mean the same as the term “canvasser.”
 5. “Transient Merchant” means a person who temporarily sets up business out of a vehicle, trailer, boxcar, tent, or other portable shelter, or empty storefront for the purpose of exposing or displaying for sale, selling or attempting to sell, and delivering, goods, wares, products, merchandise or other personal property and who does not remain or intend to remain in any one location for more than 14 consecutive days.

Exemption from the definitions for the scope of this chapter shall not excuse any person from complying with any other applicable statutory provision or local ordinance.
3. Nothing in this section prohibits or restricts door-to-door advocacy. Persons engaging in door-to-door advocacy are not required to register as solicitors under Subd. 6. The term DOOR-TO-DOOR ADVOCACY includes door-to-door canvassing and pamphleteering as a method for the dissemination of religious, political and other ideas.

If the application is complete, the City Clerk must order any investigation, including background checks, necessary to verify the information provided with the application. Within ten (10) regular business days of receiving a complete application, the City Clerk must issue the license unless there exist grounds for denying the license under Subd. 4, in which case the Clerk must deny the license. If the City Clerk denies the license, the applicant must be notified in writing of the decision, the reason for denial, and of the applicant’s right to appeal the denial by requesting, within twenty (20) days of receiving notice of rejection, a public hearing before the City Council. The City Council shall hear the appeal within twenty (20) days of the date of the request or at its next regular meeting, whichever is later. The decision of the City Council following the public hearing can be appealed by petitioning the Minnesota Court of Appeals for a Writ of Certiorari.
6. Duration. An annual license granted under this chapter shall be valid for one calendar year from the date of issue. All other licenses granted under this chapter shall be valid only during the time period indicated on the license.

The suspension or revocation of any license issued for the purpose of authorizing multiple persons to conduct business as peddlers or transient merchants on behalf of the licensee shall serve as a suspension or revocation of each authorized person's authority to conduct business as a peddler or transient merchant on behalf of the licensee whose license is suspended or revoked.

3. Notice. Prior to revoking or suspending any license issued under this chapter, the city shall provide the license holder with written notice of the alleged violations and inform the licensee of his or her right to a hearing on the alleged violation. Notice shall be delivered in person or by mail to the permanent residential address listed on the license application, or if no residential address is listed, to the business address provided on the license application.
 4. Public hearing. Upon receiving the notice provided in section (C) of this subdivision, the licensee shall have the right to request a public hearing. If no request for a hearing is received by the City Clerk within ten regular business days following the service of the notice, the city may proceed with the suspension or revocation. For the purpose of mailed notices, service shall be considered complete as of the date the notice is placed in the mail. If a public hearing is requested within the stated timeframe, a hearing shall be scheduled within 20 days from the date of the request. Within three regular business days of the hearing, the City Council shall notify the licensee of its decision.
 5. Emergency. If, in the discretion of the City Council, imminent harm to the health or safety of the public may occur because of the actions of a peddler or transient merchant licensed under this chapter, the City Council may immediately suspend the person's license and provide notice of the right to hold a subsequent public hearing as prescribed in division (C) of this section.
 6. Appeals. Any person whose license is suspended or revoked under this section shall have the right to appeal that decision in court.

PawnbrokersSEC. 4.20 PAWNBROKERS

- A. Purpose. The City Council finds that use of services provided by pawnbrokers provides an opportunity for the commission of crimes and their concealment because pawn businesses have the ability to receive and transfer property stolen by others easily and quickly. The City Council also finds that consumer protection regulation is warranted in transactions involving pawnbrokers. The purpose of this section is to prevent pawn businesses from being used as facilities for the commission of crimes and to assure that such businesses comply with basic consumer protection standards, thereby protecting the public health, safety, and general welfare of the citizens of the City.

To help the Police better regulate current and future pawn businesses, decrease and stabilize costs associated with the regulation of the pawn industry, and increase identification of criminal activities in the pawn industry through the timely collection and sharing of pawn transaction information, this section also implements and establishes the required use of the automated pawn system (APS).

- B. Definitions. When used in this article, the following words shall mean:

1. “Pawnbroker” means any natural person, partnership or corporation, either as principal, or agent or employee thereof, who loans money on deposit or pledge of personal property or other valuable thing; or who deals in the purchasing of personal property, or other valuable thing on condition of selling the same back again at a stipulated price within a fixed period of time; or who loans money secured by chattel mortgage on personal property, taking possession of the property or any part thereof so mortgaged. To the extent that a pawnbroker’s business also includes buying personal property previously used, rented or leased, or selling it on consignment, the provisions of this chapter shall be applicable.

The following are expressly exempt from the definition of “pawnbroker”: any bank regulated by the state of Minnesota, the comptroller of the currency of the United States, the Federal Deposit Insurance Corporation, the board of governors of the Federal Reserve System, or any other federal or state authority and their affiliates; any bank or savings association whose deposits or accounts are eligible for insurance by the Federal Deposit Insurance Corporation or any successor to it and all affiliates of those banks and savings associations; any state or federally chartered credit union; any industrial loan and thrift company or regulated lender subject to licensing and regulation by the department of commerce; and antique and second hand goods dealers, so long as they do not engage in the activities of a “pawnbroker” as defined herein.

2. “Reportable transaction” means Every transaction conducted by a pawnbroker in which merchandise is received through a pawn, purchase, consignment or trade, or in which a pawn is renewed, extended or redeemed, is reportable except:
 - a. The bulk purchase or consignment of new or used merchandise from a merchant, manufacturer or wholesaler having an established permanent place of business, and the retail sale of said merchandise, provided the pawnbroker must maintain a record of such purchase or consignment which describes each item, and must mark each item in a manner which relates it to that transaction record.
 - b. Retail and wholesale sales of merchandise originally received by pawn or purchase, and for which all applicable hold and/or redemption periods have expired.
 3. “Billable transaction” means every reportable transaction conducted by a pawnbroker except renewals, redemptions or extensions of existing pawns on items previously reported and continuously in the licensee’s possession is a billable transaction.
- C. License required. No person shall engage in the business of pawnbroker at any location without a pawnbroker license for that location. No pawnbroker license may be transferred to a different location or a different person. Issuance of a license under this chapter shall not relieve the licensee from obtaining any other licenses required to conduct business at the same or any other locations.
- D. License fees.
1. The annual license fees for licenses issued under this chapter shall be established by City Council resolution within the following parameters. The billable transaction license fee shall reflect the cost of processing transactions electronically and manually and other related regulatory expenses as determined by the City Council, and shall be reviewed and adjusted, if necessary, at least annually. Licensees shall be notified in writing thirty (30) days before any adjustment is implemented.
 2. Billable transaction fees shall be billed monthly and are due and payable within thirty (30) days. Failure to do so is a violation of this chapter.
- E. Investigation fee. An applicant for a new license under this chapter, or for the renewal of an existing license that is more than six (6) months past due, shall deposit an investigation fee deposit with the City Clerk at the time an original application is submitted to cover the costs involved in verifying the license application and to cover the expense of any investigation needed to assure compliance with this chapter. The deposit and the actual investigation fee guidelines shall be established by resolution of the City Council.

F. Expiration of license. All licenses shall expire on December 31.

The bond shall contain a provision that no bond may be canceled except upon thirty (30) days written notice to the city, which shall be served upon the City Clerk.

The bond may be used to reimburse losses as a result of violations of this ordinance. In the event losses exceed the amount of the bond, those who suffered losses will be reimbursed based on a pro-rated share of losses reported within fourteen (14) days of the discovery of the alleged violations and on a first come first serve basis after that time. In the event losses are less than the amount of the bond, the City may use the bond to defer costs directly incurred in enforcing this ordinance against the licensee as a result of the violations.

Sexually Oriented Businesses

SEC. 4.45 SEXUALLY ORIENTED BUSINESSES /PURPOSE AND FINDINGS

The purpose of this ordinance is to control, through licensing and other regulations, certain land uses that have a direct and detrimental effect on the character of the City's residential and commercial neighborhoods.

- A. The Hanover City Council makes the following findings about the effect adult uses and sexually oriented businesses have on the character of the City's neighborhoods. In making the findings, the City Council accepts the recommendations of staff that has studied the experiences of other areas about such businesses. Based on studies and findings, the Hanover City Council concludes:
1. Adult uses and sexually oriented businesses can contribute to an increase in crime in the area where such businesses are located. This can be a burden to City crime-prevention programs and law-enforcement services.
 2. Adult uses and sexually oriented businesses can significantly contribute to the deterioration of residential neighborhoods and can increase neighborhood blight. These businesses also can impair the character and quality of the residential housing in the area where such businesses are. This situation could lessen the amount of desirable housing for residents.
 3. The concentration of adult uses and sexually-oriented businesses in one area can greatly affect the area where such businesses are concentrated and on the quality of city life. A cycle of decay can result from the influx of adult uses and sexually oriented businesses. Others may perceive the presence of such businesses as an indication that the area is deteriorating and the result can be devastating. That is, other businesses move out of the vicinity and residents flee from the area. Lower property values, which can result from the concentration of such businesses, erode the City's tax base, and contribute to blight.
 4. Adult uses and sexually oriented businesses have adverse secondary impacts of the types discussed above.
 5. It is necessary to provide for the special and express regulation of businesses, establishments or commercial enterprises that operate as adult body painting studios, adult bookstores, adult cabarets, adult car washes, adult companionship establishments, adult hotels or motels, adult massage parlors or health clubs, adult mini-motion picture theaters, adult modeling studios, adult motion picture arcades or theaters, adult novelty businesses, adult saunas, and similar adult-oriented services operating under different names to protect the public health, safety and welfare, and to guard against the inception and transmission of disease.

6. The commercial enterprises such as the types described in (5) above and all other similar establishments whose services include sessions offered to adults conducted in private by members of the same or opposite sex, and employing personnel with no specialized training, are susceptible to operations contravening, subverting, or endangering the morals of the City by being the site of acts of prostitution, illicit sex, and occasions of violent crimes, and thus requiring close inspection, licensing and regulation.
7. Control and regulation of commercial establishments of these types, in view of the abuses often perpetrated, require intensive efforts by the police department and other departments of the City. It is necessary for the City to provide services to all of Hanover without concentrating the public services in one area. The concentrated use of City services detracts from and reduces the level of service available to the rest of Hanover. Thus, these types of establishments can diminish the ability of the City to protect and promote the general health, welfare, morals, and safety of Hanover.
8. The City Council adopts the following land-use and licensing regulations, recognizing that it has an interest in the present and future character of the City's residential and commercial neighborhoods. These regulations are to lessen the detrimental and adverse affects adult uses and sexually oriented businesses have on the use of adjacent land, and to protect and promote the health, safety, and welfare of the residents of Hanover.

It is not the intent of the City Council to prohibit adult uses or sexually oriented businesses or establishments from having an opportunity to locate in Hanover. It also is not the intent of the City Council to regulate these businesses because of content, but only on the basis of likely adverse secondary effects.
